NINETEEN makes every effort to do what is possible to accommodate guests with food allergies. However, please note that flour, dairy, fructose, onion, garlic and other similar traditional cooking ingredients are routinely used in our kitchens as part of our normal daily preparation. As a result, a complete lack of any trace of any of these routine ingredients cannot be guaranteed. Further, not all 'diet' preference and intolerances can be accommodated. Vegetarian dishes and those that can be modified to gluten-free, dairy-free and nut-free (note traces may still occur) are noted on our menus.
